Frontend Developer with **3+ years of experience** in Web Development | React.js, Next.js & TypeScript | JavaScript, HTML5, CSS3 | AI Product Experience | Redux, Tailwind CSS, Bootstrap, REST APIs | Figma to Code | Responsive UI | Performance Optimization | Git

SKILLS

Frontend: React.js, React Native, JavaScript (ES6+), HTML5, CSS3
UI/UX: Figma, Responsive Design, Cross-Browser Compatibility
Libraries: MUI, Bootstrap, SASS

Tools: GitHub, Postman, JIRA, VS Code
CMS & APIs: WordPress, REST APIs

EXPERIENCE

AstroKure AI Pvt Ltd - Software Engineer Frontend — Oct 2025 - Present| Chennai

- **Redesigned** and launched the responsive web **UI/UX** using React.js and Next.js (App Router, SSR), building a scalable reusable component library across **desktop and mobile web**, optimising Core Web Vitals and page load performance, implementing SEO and accessibility improvements integrating Razorpay checkout and paywall flows, and **migrating 1000+ blogs** from Wagtail to WordPress with minimal downtime.

DCKAP Technologies - Frontend Developer — Apr 2024 - Sep 2025| Chennai (Remote)

- Built and optimized enterprise B2B dashboards using React.js, Ant Design, and Bootstrap, improving UI performance and maintainability
- **Translated Figma prototypes into pixel-perfect, responsive interfaces that enhanced usability and accessibility.**
- Collaborated in **agile sprints** and code reviews, improving delivery efficiency and reducing UI bugs by 30%.
- Enhanced cross-browser performance and reduced rendering time for smoother user interactions.

DCKAP Palli- Software Developer Trainee & Intern — Sep 2022- Mar 2024 | Chennai

- Built learning projects covering front-end and back-end integration using **HTML5, CSS3, JavaScript, MySQL, PHP, WordPress, Figma, and REST APIs**.
- Designed **UI/UX** prototypes in Figma for projects such as PenIt, Frugal Friend, Productivity Tool, and Mobile Tamil Keyboard.
- Developed **10+ mini projects** including an Online Music Application and an E-commerce Website, demonstrating proficiency in UI design and code implementation.
- **Intern – Palli application**: Developed reusable **React.js components**, converted Figma designs into responsive UI, collaborated on code reviews, implemented features, fixed bugs, and optimized performance.

EDUCATION & CERTIFICATION

Bachelor of Computer Applications (BCA)

University of Madras - Correspondance

Chennai - (2022–2025)

PROJECTS

- **Blog Migration System** (Python + WordPress)
- **Baby Steps Fertility Centre** Web Development (Freelance)
- **Clinx** Web Development (Freelance)

AWARD

Grammar of Hard Work — Recognition for Outstanding Performance – DCKAP Palli (2023)
